

Application

A large-scale STUDIO LINE ceiling luminaire. Its unique beauty and versatility are enhanced by the choice of four matte interior finishes combined with a matte black exterior finish. These finishes may be selected to complement a wide array of interior spaces. A subtle hint of colored light on the outside edge of the beam spread results from the internally reflected light, creating an eye-catching and elegant lighting effect.

Materials

White high-density polyethylene diffuser
Aluminum housing

NRTL listed to North American Standards, for interior use only
Protection class IP 20

Weight: 126.8 lbs.

Electrical

Operating voltage	120-277V AC
Minimum start temperature	-20° C
LED module wattage	121.6W
System wattage	143.0W
Controllability	0-10V dimming down to 0.1%
Color rendering index	Ra > 80
Luminaire lumens	17166lm
LED service life (L70)	60000 hrs

LED color temperature

- ☐ 4000K (K4)
- ☐ 3500K (K35)
- ☐ 3000K (K3)
