

Application

Individual bike racks are designed for ease of use and maintenance. Install multiple in a row to achieve the desired capacity. Timeless designs enable these solutions to be used in any outdoor application and environment.

Materials

Galvanized steel structure
Stainless steel hardware

Weight: 13.6lbs.

Mounting

Mounting hardware included
Must be fixed to the ground
Self-expanding sleeve anchors for pre-cast concrete

Metal Finish

All BEGA standard finishes are matte, textured powder coat with minimum 3 mil thickness. BEGA Unidure® finish provides superior fade protection in Black, Bronze, and Silver. BEGA standard White is a super durable polyester powder. Optionally available RAL, custom, and premium colors provided in polyester powder and/or liquid paint.
