

Application

Bench topper with an Accoya wood seat and backrest supported on a galvanized steel and aluminum structure, designed to convert an existing concrete wall or barrier into seating. Installs directly to the top of the wall using self-expanding sleeve anchors.

Materials

Accoya® acetylated solid timbers
Galvanized steel structure

Weight: 110.5 lbs.

Mounting

Self-expanding sleeve anchors for pre-cast concrete

Metal Finish

All BEGA standard finishes are matte, textured powder coat with minimum 3 mil thickness. BEGA Unidure® finish provides superior fade protection in Black, Bronze, and Silver. BEGA standard White is a super durable polyester powder. Optionally available RAL, custom, and premium colors provided in polyester powder and/or liquid paint.
